102

ZASTROW ANNEXATION

THE BOARD OF DIRECTORS (the "Board") of NORTH KOOTENAI WATER DISTRICT (the "District") makes the following findings relative to a Petition for Annexation presented to the Board:

(1) The District is a validly formed water district under and by virtues of the laws of the State of Idaho.

(2) The owner of certain real property located in Kootenai County, Idaho, generally adjacent to the boundaries of the District, filed a Petition for Annexation with the District which complied with the requirements of Idaho Code §42-3218(a) (a copy of the Petition and attachments thereto are attached hereto as Exhibit "A" as though fully set forth herein).

(3) After a thorough examination and review by the Board and its consultants, it was established that the Petition was executed by the property owner in the area covered by the annexation. (The area covered by the annexation is set forth in the map attached hereto and incorporated herein by this reference as Exhibit "B".)

(4) The Board set a public hearing on the Petition for Annexation.

(5) The public hearing was set for May 19, 2016, with notice of this hearing ("Notice") given per Idaho Code §42-3218. Notice was published in the *Coeur d'Alene Press* on April 21, 2016 and April 28, 2016 (a copy of the Notice and Affidavit of Publication are attached hereto and incorporated herein by this reference as Exhibit "C"). At this public hearing, the Board and its consultants were prepared to respond to any questions or issues raised.

(6) The Board has assumed, pursuant to the provisions of Idaho Code §42-3218(b) that the failure of any other individuals to show cause in writing as to the annexation of the property described in Exhibit "B," is deemed as their assent.

(7) The Board, after consideration of the records and files herein and the public health and safety of the current and future residents and businesses in the District and the area proposed for annexation, find it in the best interests of the District, its residents and those who are in the area to be annexed into the District, to annex the area covered by the Petition.

(8) Subject to the conditions placed on the annexation by the District, the real property described in the map attached hereto as Exhibit "B" and legally described in

Exhibit "D" attached hereto is hereby incorporated into the District as of the date this Order is recorded with the County Recorder.

(9) The Secretary of the District is hereby directed to file this Order in the records of the District and transmit this Order and all the attachments thereto to the appropriate Kootenai County offices for filing pursuant to Idaho Code §42-3218(b).

(10) Petitioner agrees to pay for its share of a New Facility Plan or Facility Plan Amendment and Preliminary Engineering Report as required by the Idaho Department of Environmental Quality.

(11) Conditions: This annexation is conditioned upon completion of the following:

(a) That the petitioner will complete and pay for certain improvements to the specifications and requirements of the District (at its sole discretion) in order to provide service to the property included in this annexation.

(b) Should it be later determined that one or more of the above conditions has not been satisfactorily achieved, the Board shall have the right to remove or deannex this property from the boundaries of the District.

This Order is adopted by a majority vote of the Board of Directors at a meeting on May 19, 2016.

PETITION FOR ANNEXATION
NORTH KOOTENAI WATER DISTRICT
KOOTENAI COUNTY, IDAHO

ANNEXATION

COMES NOW Petitioner(s), Matt Zastrow and petitions the Board of Directors of North Kootenai Water District ("District") as follows:

1. Petitioner(s) are the owners of the real property situated within the County of Kootenai, State of Idaho, particularly described in Exhibit "A", attached hereto, and incorporated herein by reference.
2. Petitioner(s) are desirous that the above-described property be included in, made or part of, and be served with water system improvements in North Kootenai Water District, Kootenai County, Idaho.
3. Petitioners request that, in accordance with the provisions of Section 42-3218, Idaho Code, notice of the filing of this petition be given and published in the official newspaper of the District in Kootenai County, Idaho, said notice to give all persons interested an opportunity to appear and show cause in writing, if any they have, why this petition should not be granted at the hearing, time and place to be set by this Board; that further, assuming that no valid objections are made to the inclusion of the above-described property within the boundaries of the District, the Board enter its order that the above-described property be included within the boundaries of the District, and that such order be recorder and filed with Kootenai County, Idaho and filed with the State of Idaho Tax Commission.
4. That Petitioners are aware that, as a condition of annexation, the District may require that the land described in this petition be subjected to the following requirements:
 - (a) The Petitioners shall pay for the actual costs incurred by the District for District administration, engineering, legal, inspection, and preparation of any necessary documents that are required by the District for annexation of the property. Such District costs shall include, but are not limited to, preparation of conditions of annexation, any needed water and/or system master planning, design consultations, plan reviews, and final approval of the Petitioner's construction plans and specifications for water facilities.
 - (b) The Petitioner shall be responsible for all water facilities that will be necessary to serve the Petitioner's annexed property. These water facilities will include those required within the annexed property as well as all necessary water and sewer facilities needed to extend water and sewer service from the District's existing facilities to those proposed to serve the annexed property. The District shall have the right to dictate where and how the Petitioner's water and sewer facilities that serve the annexed area may be connected to the District's water and sewer facilities. Upon completion of installation and approval by the District of all water and sewer facilities the Petitioner shall dedicate such facilities to the District.

(c) The District shall not be obligated to serve any property annexed within the District where the District has determined there is not sufficient water and/or sewer system capacity to adequately serve such property. There shall arise no right to service or obligation by the District for service upon annexation and as among other properties annexed to the District, and there shall be no priority for service until each water and/or sewer connection permit has been obtained. If construction is not completed within two (2) years from the date the water connection permit was issued, any priority for service shall become null and void. The District may extend the time for completion upon a request by the property owner and a showing of good cause why such extension should be granted.

(d) And such other conditions as the District may prescribe.

WHEREFORE, Petitioners pray that this petition be set for hearing at the earliest practicable time, and that the Board grant the petition including the conditions as set forth in Paragraph 3 above.
